

RPET ICE COOLING HOODIE

ICEI708

Tired of feeling hot and uncomfortable during the summer season and during outdoor activities? Say hello to the ICE Cooling Hoodie – the secret weapon for beating the heat! Made with RapidCool™ Polymer, this cooling hoodie is lightweight, ultra-soft, super absorbent, and reusable, providing instant relief from the sweltering sun. Simply soak, wring, and snap for an instant cooling effect that will keep the wearer feeling fresh and energized all day while spreading the brand message. Perfect for picnics, working outdoors, 5k races, and any high-energy event, the ICE Cooling Hoodie is a must-have accessory for anyone who loves to stay cool.
